

Outdoor Experiences Administrator

Full time – Ontario Provincial Office

Have you heard about our big changes? That's right Girl Guides of Canada- Guides du Canada has just launched a new vision, mission, look and feel as it continues to provide a safe space to empower girls to be "Everything she wants to be". With our new vision of "A better world, by girls" and our mission "To be a catalyst for girls empowering girls", we are excited to build on our 100+ year history to ensure that we are relevant to today's girl. Guiding is where a girl can shine as she takes the lead, explores new challenges and meet the most important person in her life, herself – all with the support of girls and women who will be by her side every step of the way. Her next adventure starts with Guiding, does yours?

To support our new mission, we are currently seeking Outdoor Experiences Administrator to provide the full range of support needed to ensure that our Ontario Outdoor Experiences program and Summer Camp administration runs smoothly. If you are a person who is super organized, detail oriented, and who loves working with people, please read on.

Though your role will be focused mainly on program registration and finances, there likely won't be a typical day. You will need to be flexible to meet the demands of the day and team. This might mean switching from answering program questions from Guiders and parents, to assisting with online registration, to creating reports on programs and financials, to coding expenses for payments, to managing an issue from a Camp Director, or to configuring Camp Brain and ePly.

If you thrive on keeping things organized, with great attention to detail, along with patience and empathy to work with busy people and a team of highly committed colleagues who are putting the girl at the center of everything they do then this role might be a great fit for you. Of course, if you are familiar with Girl Guides in Ontario and share a passion for getting our girls outdoors, even better.
