FLAG ETIQUETTE

Flags and Guiding

In Guiding, you will often hear the terms, colours, colour ceremony and colour party.

Colours means the flags. The colour ceremony is the raising or lowering of a flag and the colour party is the group that performs the ceremony.

During a ceremony, meeting or special event

- When the Canadian Flag is displayed on a staff placed on a platform, stage or dais, it should be to the right of the speaker.
- When the Colours (flags) are used in the Guide horseshoe, the Canadian Flag is always on the Guider's right and the World Flag on her left as she faces the horseshoe.
- When displayed in places of worship or on a speaker's platform, the Canadian Flag should be displayed flat (hung horizontally) against the wall or on a staff on the celebrant's or speaker's right as she faces the audience or congregation.
- When used in the body of an auditorium the Canadian Flag should be on the right of the audience.

There are eight program areas and each program area has three themes under it.

1. Guide Together (Our Story, Spirit of Guiding, Camping and the Great Outdoors)
2. Explore Identities (Being You, Different Together, Gender Power)
3. Build Skills (Money Sense, Life Stuff, How To)
4. Be Well (My Mighty Mind, My Physical Self, My Healthy Relationships)
5. Experiment and Create (Science Lab, Design Space, Art Studio)
6. Connect and Question (Local Communities, Canadian Connections, World Stage)

PATHFINDERS AWARDS

Guiding at the Pathfinders branch offers you the opportunity to work towards three special awards:

1. Community Service Award
2. Citizenship Certificate
3. Canada Cord

COMMUNITY SERVICE AWARD

1. Complete three different types of service projects on these themes: • Supporting Your Community • Going Global International • Environmental Awareness
2. To earn this award, you must complete it while you're a Pathfinder.
3. Must volunteer for approximately 15 hours of service altogether, including your preparation time.
4. The award can be earned at any time during your years as a Pathfinder. You can do one project every year, spread the projects out over three years, or do all three in the same year.

12

Guidelines for service:

- Hours can be divided among the three projects in any way you choose.
- You must participate in the planning as well as the project.
- Some of the service can include service in Guiding; however, the major focus should be on service that benefits other organizations or the general community outside of Guiding.
- You must demonstrate community and leadership in planning the project.
- You can do these projects on your own or with others.
- Completion of this service cannot count towards earning the Take Action Program Area or the Your Action Theme badges. The Community Service award is your opportunity to find out what's going on in your community and to learn how you can make a difference in the lives of others.

CITIZENSHIP CERTIFICATE

1. Complete two activities from each topic.

Topics include:

- Government
- Ceremonies
- What being Canadian means to me
