INTRODUCTION

Welcome to Brownie Magic Under the Big Top. We hope the girls and adults will be active and have lots of fun in a circus environment. In this camp package, you will find the program outline for a two night event and a wide variety of activities, games and crafts to choose from. As well, there are menu and recipe suggestions, a campfire, Guides Own and a kit list. Build your camp to suit your season of the year, building or campsite, number of girls and available time. Pick those activities that work the best for you and your girls and remember to be *flexible*. Adapt this package to have fun pretending to join the circus!

Remember to use the most recent [Safe Guide forms](#) and to have them assessed as appropriate. Be sure to inform your Camping Advisor and District Commissioner of your camping plans, and draw on the resources available to you within your district (Camping, Music, Program Advisers, local trainers, etc.).

Crests order forms are available on the BC Girl Guides website (<https://www.girlguides.ca/WEB/BC/>), and crests are \$1.00 each for units from BC. There is also an evaluation form at the end of this package, and we would love to hear feedback from you regarding this camp. We love receiving pictures, so please send photos from camp (making sure that everyone in them has image releases in iMIS) and feedback to the BC Camping Committee at bc-camping@girlguides.ca.

In this camp, as in every camp, a vast amount of material has been covered and learning has happened. Please, be sure you are adding activities completed to the girl's Girls First program.

The BC Camping Committee has two rules in addition to Safe Guide that we ask you follow at each and every camp:

1. Be a No Trace Camper – Take only pictures, leave only footprints
2. Have FUN!!

TIPS & HINTS

Patrol Duties/Chores

Duties should include: helping with meal preparation, setting and clearing the table, dishes, sweeping the floors, tidying washrooms, etc. You know your girls and your camp location best, so your team can decide how and where the girls can be most helpful.

NOTE: Often the girls aren't terribly helpful, but it is important for them to get used to helping with chores at camp. Try to find jobs at each station that the girls can help with: washing and cutting fruit, flipping one pancake, ripping lettuce for salad are all great ways the girls can help in the kitchen.

Sample Chore Chart

Time	Meal prep & setting tables	Wiping tables, sweeping floors	Lats	Dishes
Saturday Breakfast	Group A	Group B	Group C	Group D
Saturday Lunch	Group D	Group A	Group B	Group C
Saturday Dinner	Group C	Group D	Group A	Group B
Sunday Breakfast	Group B	Group C	Group D	Group A

Designating Boundaries

For Sparks and Brownies you can use "Mr. Happy" and "Mr. Grumpy" faces cut out of fluorescent poster board. Use a plate to trace then cut out 9 per page. Use bright pink and lime green colours. Draw happy faces on the pink ones and grumpy faces on the green ones then post them around the camp to establish boundaries. If you have Guides or Pathfinders attending the camp with Sparks and Brownies they love to put these up for you. At the end of camp take them down and give them to the girls to take home.

PROGRAM NOTES

Name tags can be made in advance or made/decorated at camp. You can use name tags to help identify girls with an Image Release “No”, food allergies, or other health concerns. There is a sample name tag on page 9, and a printable template is available with this package. In addition to the sample provided, name tags could be made to depict the flags of each country the girls choose.

Program group suggestions (Brownie names from other countries):

- Lions
- Bears
- Horses
- Clowns
- Tigers
- Elephants
- Seals
- Lion Tamers
- Ring Masters
- Tight Rope Walkers

Decorating Ideas: If you can get a canvas tent you could decorate it to look like a circus. You could even try to put in three rings to make it a three ring circus. Hang pictures and posters of clowns, circus performers, cartoon and circus animals and cut-outs of food such as popcorn, ice-cream and cotton candy. You can make circus posters using pages from any circus coloring book. Enlarge the pages and colour them with craft paint or watercolour crayons; these cover large areas easily.

If your party is in a room with a normal height ceiling, secure bed sheets to the ceiling at each corner of the room. Let the middle drop slightly as you swag them towards the room center.

Hang up balloons in:

- Clusters - groups of four or five tied together work well
- Garlands - string clusters together and hang from the ceiling
- Shapes - create any shape with easy to bend aluminum rods
- Centerpieces - anchor on the table with 2 cups of sand in a paper sack
- Rainbow Arch without a frame: Make a rainbow arch grand entrance. Use helium balloons tied on a string or ribbon and anchor each end with a heavy weight

Crepe paper:

Use twisted crepe paper looped from the ceiling, hang corner to corner, or hang streams of crepe paper from the light fixtures or doorways.

Make a Ticket Booth

This can be done using a large cardboard box; use paint or markers to decorate the booth.

Place Mats: Copy circus related pictures onto 8 ½ x 11 sheets of paper. Have the girls colour them (don't forget their names) and slip them into a page protector. Then for meal time you can put out the place mats for the girls to find and sit beside new friends.

Sing along/campfire: Friday evening sing-along is an informal time to sing the girls' favourite songs and perhaps learn some new ones for Saturday's campfire.

To use this camp for Sparks: You can take portions of the program and adapt it for a one night camp or day camp. Feel free to use other age-appropriate activities related to the theme or adapt Unit favourites to fit the theme.

To use this camp for Guides: While most of the activities would be suitable for girls of Guide age, you may want to make the games more challenging. If you plan to do patrol cooking allow more time for preparation, cooking, eating and clean-up!

Additional Activities: In addition to the ideas below, the **Arts to Go – Circus Challenge** has many more wonderful suggestions for activities that would be great for this camp. You may consider completing this challenge as a part of camp! (<http://www.bc-girlguides.org> click on Program > Challenges & Activities > Provincial Challenges)

CRAFT IDEAS

Paper Bag Puppet - Clown Craft

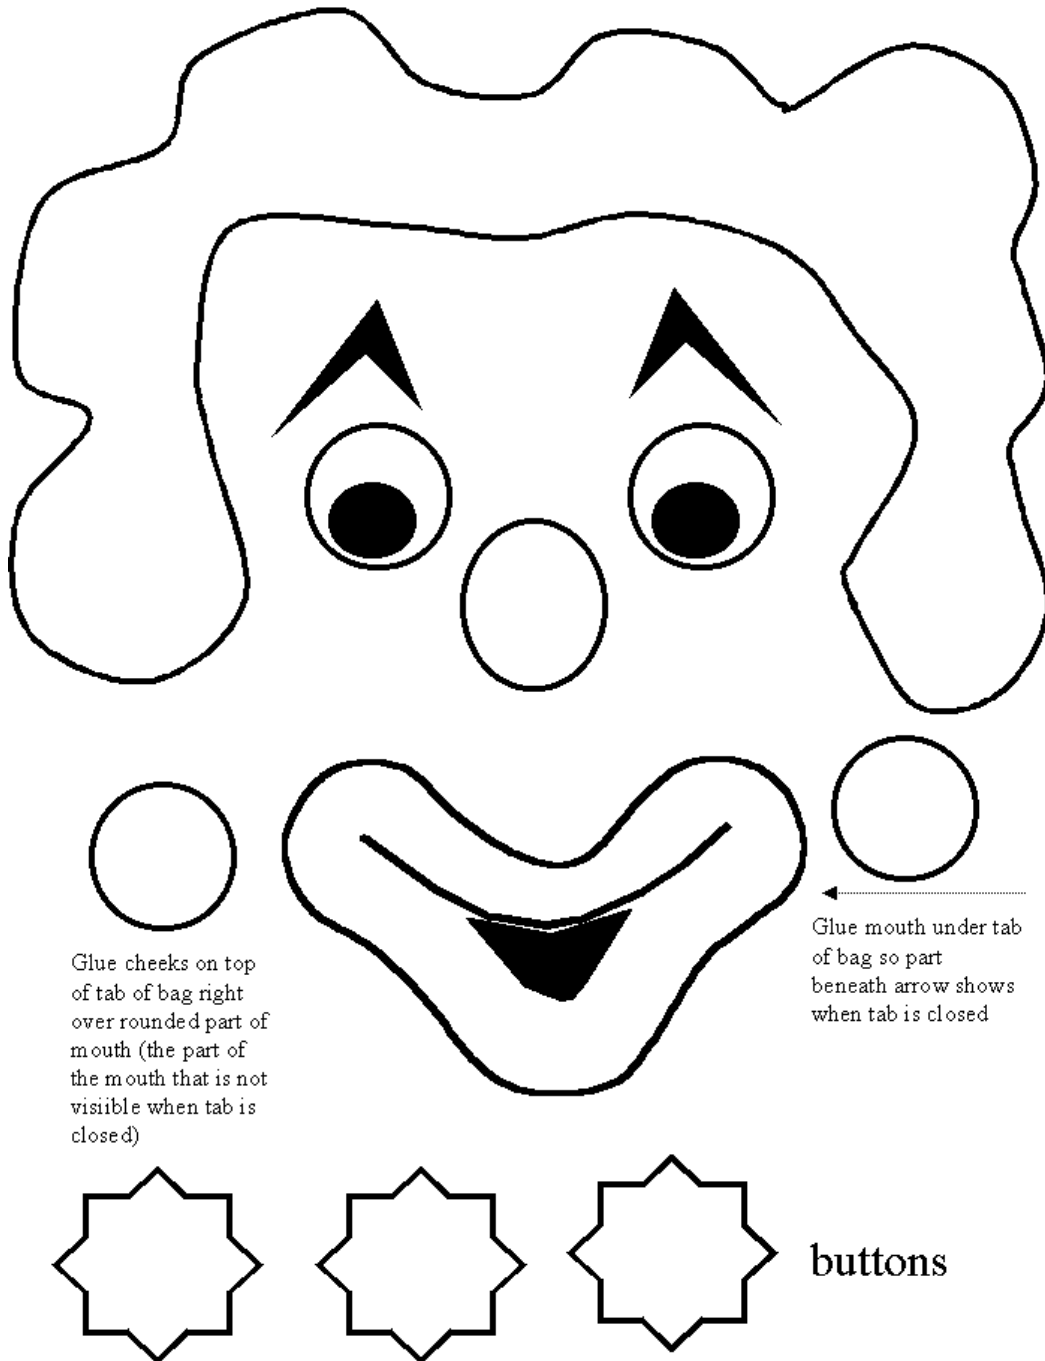

Materials

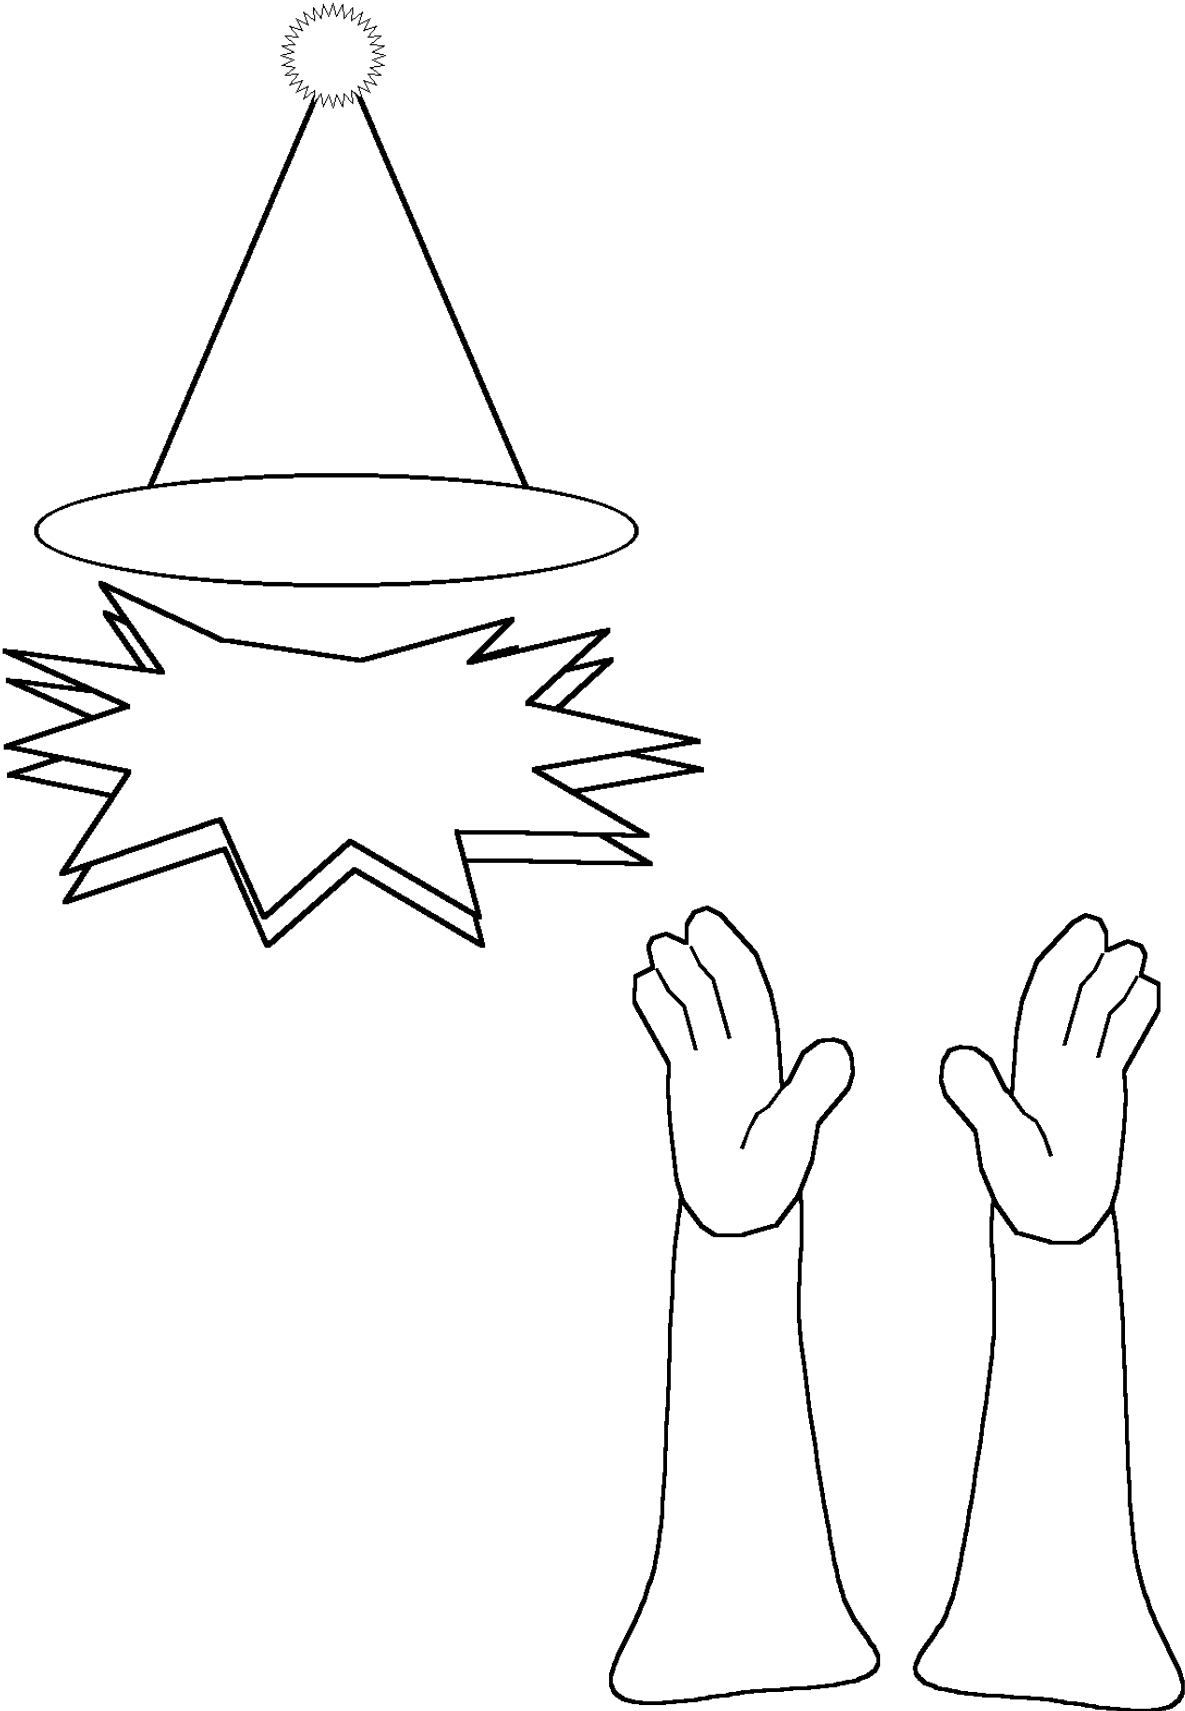

- Paper lunch bags (if you use a white bag, you'd get a white clown face)
- Printed templates or construction paper
- Crayons, markers, etc
- Scissors
- Glue
- Pompoms
- Googly eyes

You can print the templates below, or let the girls run wild with construction paper, pompoms, and other decorations. Try making animal puppets in addition to clowns! (Make sure that girls put their names on their bags near the opening before decorating)

Clown Templates

Bowl hat game

Materials

- 2 bowls
- Strips of elastic
- Glue (hot glue gun works best)
- Small Bean bag
- Stapler

Method

1. Glue the two bowls bottoms together and let dry.
2. Staple a piece of strip elastic to one of the bowls on each side so it can be worn like a hat.
3. Put on the bowl hat.
4. Take the small bean bag, toss it in the air and try to catch it in the top bowl.

Decorate With Twirlers!

A fun craft and nice decoration (and craft) to hang from ceiling, a window or tree!

Materials:

- Plastic coffee can lids (Lids come in a variety of colors)
- marker
- scissors
- string

Method:

1. To make one, use a nail to poke a hole in the center of a plastic coffee can lid.
2. With a marker, draw a spiral that starts 3/8 inch from the hole (it keeps going around itself in circular pattern) and gradually extends to the rim---then cut along the line with scissors.
3. Knot an end of a piece of string, thread the other end up through the hole in the center, and the twirler is ready to hang up and spin.
4. To spin, grasp each one at the bottom, twirl it around and around until the string is wound tight, let go and enjoy.

Clown Banks

Materials:

- Paper towel tube
- cardboard
- construction paper
- yarn
- poster board

Method:

1. Tape or glue a round piece of cardboard to each end of a paper towel tube.
Cut a slot for the clown's mouth, Make it large enough for coins to go through.
2. Paint the tube white,
3. Glue on yarn hair and features cut from the paper.

Jester's Hat

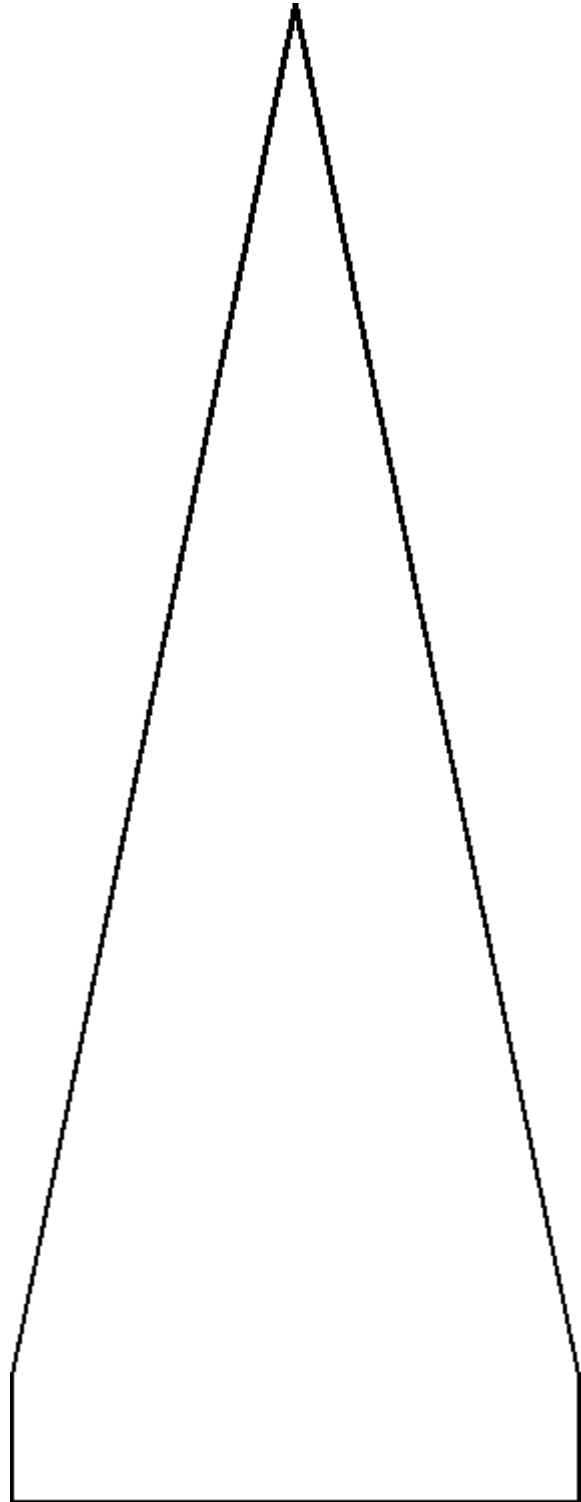

Materials:

- Jester Hat Pattern
- 4 pieces of Craft Foam (different colours)
- Low Temp Glue Gun
- 36 Jingle Bells - 3/8"
- Scissors
- Stapler

Method:

1. Cut a piece of craft foam into a 3" strips.
2. Glue together using a low temp glue gun until you have enough to fit around the child's head.
3. Print Jester Hat Pattern
4. Lay on foam and cut out.
5. Glue each piece to the top inside edge of the foam crown. Glue two jingle bells on each point.

You can modify this craft so there are only 4 or 5 points to the Jester Hat (depending on the size of the head) with only one jingle bell on each point.

Craft Stick Photo Frame Decorating

Decorate photo frames with circus themed animals and shapes. Make an easy picture frame out of craft sticks or popsicle sticks. Find lots of creative ideas and tips to spice up this classic craft.

Materials:

- Craft sticks or Popsicle sticks
- Cardboard
- White glue or hot glue gun
- Poster paint
- Paint brush
- Scissors
- Pencil
- Ruler
- Photo
- Magnet or string (Optional)
- Decorations

Method:

1. The basic craft stick photo frame would need a minimum of 4 craft sticks - one stick for each side of the frame. If you'd like to make the sides wider, put two craft sticks together on each side.
2. You can add more craft sticks to come up with a unique design. The craft sticks can be cut if you need shorter pieces.
3. Once you have decided on your frame's final shape, paint each craft stick whatever colour you would like. You can have a single color for the entire frame or color each craft stick differently for a multi-coloured frame. Or use multi coloured sticks instead of painting them.
4. Or you can do this painting step after you have glued all the craft sticks together.
5. When the paint has dried, glue the painted craft sticks together with a hot glue gun.
6. Decorate your photo frame as you please.
7. Allow the frame to dry completely.
8. To make a backing board, trace the outer outline of your frame onto cardboard.
9. Draw a slightly smaller square inside the outer outline. The idea is to make a backing board that is slightly smaller than your craft stick frame.
10. Cut out the board along the inner outline.
11. Cut out your photo to a size that fits well on your frame. Glue the photo at the center of your frame.
12. Make a magnetic photo frame by attaching 1 or 2 small magnets at the back of the frame using a hot glue gun or hang your photo frame with a string by cutting out a length of string and glue one end at the top or each corner of the frame

GAMES AND ACTIVITIES

Tight Rope Walking

Lay down a length of rope on the ground and have the girls pretend that it is a circus high wire tight rope. Have them balance while they are walking and let the ringmaster ask for large applause when they finish.

Feed the Circus Lions (bean bag toss)

Trace a large lions head onto a poster board and cut out a 8 x 8" hole for his mouth. Make small bean bags out of brightly colored yellow and red fabric. One by one let the girls toss the bean bags into the mouth of the lion. If you are giving away prizes let them win tickets to redeem at the prize table.

Clown Costume Relay Race

Divide girls into equal teams. For each team have a box containing a complete costume, each costume should have the same number of pieces (4 or 5 is fun - Shirt pants, big shoes, huge tie, clown nose, wig or mask, etc.) Anything silly that a clown might wear! In turn each girl must put on the costume and run to a certain point where they take the costumes off and put them back in the box. They run back to the start where the next girl repeats the process until one team finishes and wins.

Frog Jumping Game

Paint the bottom of a large cardboard box (with low sides) blue. The blue is the water. Put some small green paper plates on the 'water'. These are lily pads. Purchase small toy frogs and have girls toss the frogs onto the 'lily-pads'.

Optional: Put numbers on the pads and add the points up as the frogs land on the pads.

Lion Tamer

Set up a hula hoop so it stands up securely. The girl tries to throw a small stuffed lion or tiger (or bean bag) through the hoop. Decorate the hoop with colored paper to look like flames.

Balloon Stomp

Tuck a prize slip inside a small balloon and then inflate. You can write the name of the prize on the slip or just a number corresponding to a prize. Have lots of prize balloons ready, store in plastic bags. Each girl chooses a balloon and "stomps" it to pop it and see what their prize will be.

Knockdown The Cans

Stack cans in a pyramid. Each girl gets to throw one to three balls at the cans. You can use tennis balls, rubber baseballs, or other types of balls for this game. You can decide if they must knock down all or just a few cans to win a prize.

Circus Charades and Parade

Girls form a circle. One person is chosen to be the leader. The leader calls the name of a girl and names an animal or circus performer or has each girl draw a paper from a bag with an animal or circus performer written on it. The girl does an imitation of the movements of the animal or person named.

After the Charades all girls form a line for a "Circus Parade" led by the leader. The group moves around the room, each imitating the animal/person she represents...

Variations: Play a round with sound imitations only---or a combination of sounds and movements...

Circus Characters: Ring Master, Tight Rope Walker, Jester, Food vendors, Elephant, Tiger, Dog, Seal, Lion, Lion Tamer, Fire Eater, Clown, etc.

Tattoo Parlour

Temporary tattoos are inexpensive and quick to apply. You can set it up next to the face painting... As an activity you can also make tattoos...

Easy-Off Tattoos

Materials:

- 1 Tbs. cold cream
- 2 Tbs. cornstarch
- 1 Tbs. water
- Food coloring
- Clean paint brush

Mix all ingredients together, stirring to mix well. Use a thin paintbrush to apply the tattoo.

Pin the Nose On the Clown

1. Cut out the template below or draw your own clown or clown face.
2. Use tape on premade noses.
3. To eliminate the possibility of tearing the clown face, have it laminated!

Additional Ideas

- Juggling
- Blowing bubbles
- Fortune Telling
- Ring Toss
- Fish Pond
- Penny Toss (Polka Dot Table Cloth & Poker Chips)
- Stilt Walking
- Photo booth
- Miming

GRACES

Singing a grace before a meal is a tradition that has lost popularity over the years, but it is still nice to thank those responsible for your food before eating it. Singing grace doesn't have to be involved in religion at all, try some of these out for example:

Modified Superman Grace (to the tune of the Superman theme)

Thank the coooook, for making us food,
Thank the coooook, for making us food,
For the food we eat, and the friends we meet,
Thanks the coooook, for making us food
Looks great!

Modified Adams Family Grace (to the tune of the Adams Family theme song)

Da duh da duh <snap><snap>
Da duh da duh <snap><snap>
Da duh da duh da duh da duh da duh da duh <snap> <snap>
We're thirsty and we're hungry
The food looks mighty yummy
We want some in our tummies
And so we thank the cook
Da duh da duh <snap><snap>
Da duh da duh <snap><snap>
Da duh da duh da duh da duh da duh da duh <snap> <snap>

I'm a fork, knife, spoon, spatula
Cha Cha Cha
I'm a fork, knife, spoon, I'm a spoon,

Actions: put your arms above your head and mimic the shapes of a knife, fork, spoon and spatula, and wave your arms back and forth for the Cha Cha Cha

GUIDES OWN & REFLECTIONS

Guide's Own is a special ceremony. It can be used at a camp or any event for personal reflection. It can also be used as a time to give thanks for all we have and our special guiding friends. Guide's Own can be adapted for use with girls of all ages.

A Guide's Own ceremony can be as simple or as complex as you would like to make it – but keep in mind the age of your girls. Also keep in mind the dynamics of your group. Some are much more introspective than others. As the girls get older this is an activity that they can participate in and eventually plan, similar to a campfire.

A Guide's Own can consist of a quiet time, some reflective poems depicting the theme of your camp, a reading of some sort, a song, a short story, or any combination of these.

Simple Thank you to Camp

Ask the campers, as they are helping to pack and clean up, to pick up a rock, twig, or other piece of nature (not living) that is special to them. At your Guide's Own ceremony, ask the campers to come forward, one at a time, and place their rock/twig/etc. in the middle of the circle, and think of something at camp that they are thankful for or they will take away from camp. Campers don't need to share what it is they are thinking of or thankful for; it can be a silent reflection of camp, and a thank you to the camp itself.

A Star and a Wish

This is a good one to use for Brownies since it involves the girls but in a relatively easy way. Each girl and adult takes a turn to say one thing they really liked about the camp (the star) and something that they might not have liked so much or something that they would have liked to do but didn't or something similar to that (the wish). You can incorporate that into the closing and not have a formal Guide's Own scheduled for a separate time.

ZULU FAREWELL
