

WELCOME TO E-COOKIES!

A how-to guide for girls and families

Ready to sell chocolatey mint cookies?

Through the **e-cookies portal**, each unit will have a unique cookie selling page. Girls and families can promote this page to new customers, family and friends.

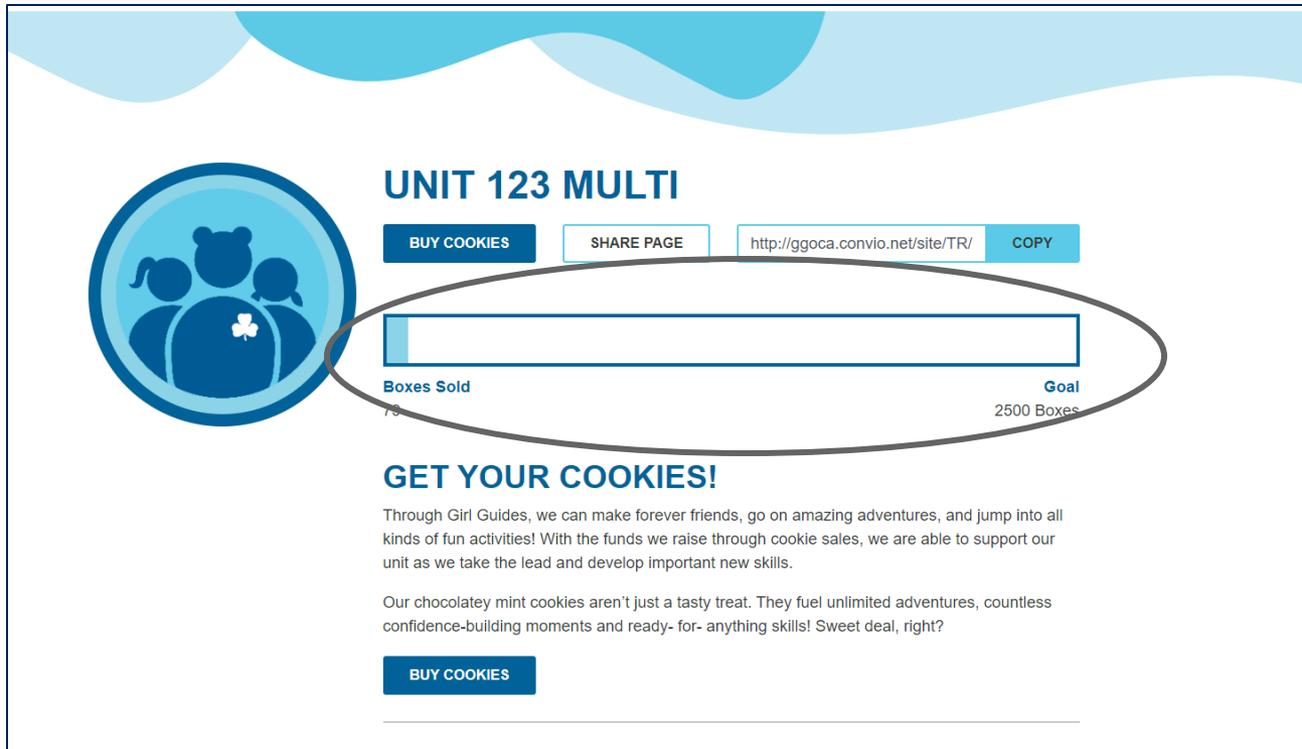

Top 5 Benefits to Selling Cookies Online

1. Ability to adapt to changing pandemic protocols.
2. **No more cash** on hand, reconciliation or finding change - payments are made online.
3. Sell cookies to family and friends **anywhere in Canada.**
4. **No more cases of cookies sitting in your living room!**
5. Girls develop 21st century skills in digital and financial literacy, goal setting, teamwork, and entrepreneurship.

Step 1: Check out your unit page

Your Guider will send you the **URL link** to your unit's cookie selling page. Check out your **cookie selling goal** and see how many boxes your unit has sold already!

The screenshot shows a web page for a Girl Guides unit. On the left is a circular icon with silhouettes of three girls and a white flower. To the right, the unit name 'UNIT 123 MULTI' is displayed. Below the name are three buttons: 'BUY COOKIES', 'SHARE PAGE', and a 'COPY' button next to the URL 'http://ggoca.convio.net/site/TR/'. A progress bar is shown below the URL, with 'Boxes Sold' at 73 and 'Goal' at 2500 Boxes. A hand-drawn oval highlights the progress bar area. Below the progress bar is the heading 'GET YOUR COOKIES!' followed by two paragraphs of text and another 'BUY COOKIES' button.
