

# BUILD SKILLS

Explore the life skills you have now – and the skills you want to build. In this program area, you'll learn how to fix things and make things, and how to plan and budget. You'll also look into your future and explore jobs and careers.

**Get out your toolbox and make space on your dream board – let's get going!**

## Money Sense:

Build the skills you need to make choices about your money. Activities in this theme will help you learn about budgeting, saving and spending, and how money is used around the world. In this theme you can...

### (Younger girls)

- Learn what things cost
- Get to know Canadian money
- Decide what you want to save up for

### (Older girls)

- Work out a budget together for your next camping trip
- Learn quick math tricks to help when travelling
- Learn what it costs to live on your own

## Life Stuff:

Develop the skills you need to thrive in your life. Learn how to lead, develop your communication skills, navigate your way through time management, explore different jobs and careers, and test out setting and achieving personal goals. In this theme you can...

### (Younger girls)

- Find fun things to do when you need a break from screens
- Learn what kind of leader you like to be
- Discover a bunch of different jobs and careers

### (Older girls)

- Explore your personal leadership style
- Find tools that help you juggle tasks when you're busy
- Meet women working in the career you're interested in

## How To:

Build the hands-on skills you need to take on projects and do it yourself. Busted bike? Flat tire? Hungry for homemade cookies? Want to be first aid savvy? Start with the basics, then take your know-how to the next level. In this theme you can...

### (Younger girls)

- Learn what to do when you get a scrape
- Put your Masterchef skills to the test!
- Get to know what's inside a toolbox and start tinkering!

### (Older girls)

- DIY your own decor!
- Learn how to care for a car or a bike
- Build life skills for being independent
