

## Cybercitizen Challenge

### Privacy Pirates

**Level:** Brownies / Guides

**Topic:** Privacy, safety and marketing

**This activity requires an Internet connection.**

In this activity girls visit the MediaSmarts website to play [Privacy Pirates: An Interactive Unit on Online Privacy](http://mediasmarts.ca/game/privacy-pirates-interactive-unit-online-privacy-ages-7-9). (<http://mediasmarts.ca/game/privacy-pirates-interactive-unit-online-privacy-ages-7-9>)

This educational game teaches kids about online marketing and privacy issues.

#### Preparation

- Go through the game yourself so that you are familiar with it before the meeting.

#### At your meeting

- *Privacy Pirates* comes with audio, but at the Brownie level, beginner readers may need to be paired with more advanced readers.
- Have pairs of girls play the game and record their scores on a chart. Give them the chance to play again to do better.
- Once the girls have played the game, bring them together as a group and talk about what they have learned.
