Membership Growth = Making a Difference in the World

Growing Guiding in Quebec ensures that we live up to our promise of 'taking action for a better world'. Confident, resourceful and courageous girls build stronger communities.

Spring Pre-registration Campaign The Challenge is on!

Make sure you follow-up and get in those pre-registration forms – as many as you can – every girl retained is a member we are ahead by before the new Guiding year starts!

Who will win the \$200????? Will it be your District?????

Together we can grow Guiding and 'make a difference in the world'

Pamela Rice on behalf of the Quebec Membership Growth Team

Dear Guiding Members,

Many thanks for your dedication to Girl Guides in our province. As this Guiding year draws to a close I know that so many of you are very busy with closing your year with the girls with great district events, fun meetings, advancement ceremonies and memorable camps. All these activities help to keep the girls returning in the fall!

Also, thank-you to all the Guiders, and District Commissioners, who have worked hard to get the maximum number of girls possible, to complete their pre-registration for the fall. I have been hearing about some very successful spring 'Bring a Friend' meetings and open houses that have brought in new members for the fall. Bravo!

In addition to all those who work directly with the girls, there are many, many more that support our Guiders and DCs' directly and indirectly, in a variety of ways, which help support the delivery of great Guiding experiences throughout the province. Thanks for your dedication and support as well.

I hope to meet as many of you as I can in the coming Guiding year. I look forward to learning about Guiding in your community. Our Deputies, Advisers, and those spearheading special projects will be working over the course of the summer to bring some new opportunities to support and grow great Guiding in Quebec.

Have relaxing summer and enjoy!

Pamela Rice
Provincial Commissioner

Un message de la commissaire provinciale

À l'intention des membres adultes,

Je voudrais vous remercier chaleureusement pour le dévouement dont vous avez fait preuve à l'égard du mouvement guide de notre province. Je sais que bon nombre d'entre vous êtes fort occupées à planifier des événements sectoriels exceptionnels, des réunions amusantes, des cérémonies d'avancement et des camps mémorables pour marquer la fin de cette année guide. Voilà autant d'activités qui encourageront les filles à revenir chez les Guides à l'automne!

J'aimerais également remercier les responsables et les commissaires sectorielles qui ont multiplié les efforts pour encourager un maximum de filles à faire leur pré-inscription en prévision de l'automne. J'ai eu écho du succès obtenu par des rencontres « Amène une amie » et des activités portes ouvertes qui ont eu lieu au printemps et qui ont permis d'attirer de nouveaux membres pour l'automne prochain. À toutes les personnes qui ont participé à ces initiatives, je dis bravo!

Outre les personnes qui travaillent directement avec les filles, un grand nombre de personnes soutiennent les responsables et les commissaires sectorielles, que ce soit directement ou indirectement, de diverses façons; leur contribution nous permet d'assurer la prestation d'une expérience guide de qualité à l'échelle de la province. À vous aussi, mes sincères remerciements pour votre dévouement et votre soutien.

J'espère avoir l'occasion de rencontrer un maximum d'entre vous au cours de la prochaine année guide et de me familiariser avec les projets de votre collectivité. Les commissaires adjointes, les conseillères et les personnes en charge des projets spéciaux seront à l'œuvre cet été afin d'élaborer de nouvelles initiatives en vue de soutenir et de faire grandir le mouvement guide au Québec.

Je vous souhaite un très bel été et j'espère que vous en profiterez au maximum!

La commissaire provinciale,
Pamela Rice

Lend a Hand

'I'd like to help but I can't commit to anything long term'.

Does this sound familiar? Are you one of those Rangers or Guiders who have uttered those words?

From time to time there are projects and task groups that need the talents and skills of a variety of our Members – but only for a short period. In order to match the project with the skills, Quebec Guiding is putting together a database of 'our talents and resources'

This month, QC Guiding is looking for those Rangers and Guiders who have photography skills that they would be willing to share.

If you are one of those women please email: resourceguiders@gmail.com and tell us that you would be willing to share (and how you feel you can).

You may not get a call right away, but rest assured when there is an opportunity to help out, you will be on the list!

Treasurers' Trove **Accounting for Cookies**

Keeping track of cookies isn't as easy as buying some cases from your supporting council and then selling them in your community. When you buy 20 cases at one price and 15 cases at another, depending on which council is offering the units a bonus, you need to show that price difference. When you give them as gifts, eat them in your unit or offer them as a promotion during a blitz, you need to show where those cookies went. How do you do this?

The first thing you have to do is ensure you are keeping track of the cookies you buy and the cookies you sell. Use a form like the Cookie Tracking Sheet which you can find on the GGC Quebec website with the financial forms.

Cookies which are used by the unit, rather than being sold, must be shown on the spreadsheet. Cookies are often eaten at camp or in the unit as a snack, or given away as gifts or publicity. When you eat five boxes at camp, that fact should be recorded as a Camp expense, rather than as a Cookie expense. Calculate how much each box costs the unit. At the moment, units are paying \$37.45 per case, so dividing by 12 boxes per case; you get \$3.12 per box. Five boxes will cost the unit \$15.60. When you write the cheque to pay for the cookies, put the full amount of the cheque written to your district (say 10 cases at \$37.45 equals \$374.50) in the Bank Cheques column, \$15.60 under the Camp column, and the remaining amount for the cookies which you actually sold (\$358.90) in the Cookie column. In the same way and on this same line, you will show the use of cookies in the Special Events, or Gifts, Awards & Badges, or Public Relations columns and so on, or in all of these if you have used cookies for all of these purposes.

Mid-Year Reviews

The Guiding year is winding to a close, and while most of you will have a break from doing Guiding books over the summer, there is one job left before you can relax! The time for the mid-year report has come.

All Treasurers should balance their books at this time in preparation for the fall. Your mid-year report will cover the period from Jan 1, 2010 to the spring "end" of the Guiding year, the exact date of which will vary depending on your unit or council, usually in May or June. Doing this now will help you to close your books at the end of December, as everything should balance and make sense for the first half of the year, and it will be done while you still remember what happened!

Unit Financial Books should be collected by the District Treasurers, who should check that everything balances, is reasonable and clearly explained.

District Treasurers should have someone else look over their books. This can be another signing officer, so long as it is not the person responsible for keeping the books. Please send a copy of the Monthly Report to date (i.e. January 1, 2010 to the end of the season) and a completed Financial Review Checklist to the Provincial Office, with a copy of your budget for 2010 if you have not yet done so. Please include some explanation of major variations from your budget, given that the budget is for the full year.

It would be greatly appreciated if reports were received at the Provincial Office as soon as possible after the end of your season, preferably by the end of June.

We will randomly select a few districts for complete review, in which case you will have to send in all documents as at year-end in January.

Note that we are **not** requiring that an independent person (someone who is not a signing officer or related to one of them) do a review at this time.

Once you have had your books reviewed, simply carry on from where you left off. Remember that you will have to submit your books, receipts etc for the *entire year* when you submit your books for the Annual Financial Review in January.

For **Units and Districts** where the treasurer is changing, a full independent review must be done.

If you have questions, I can be reached at dsn@guidesquebec.ca
