

## Keep Calm and Camp On (With Mom!)

By Gigi Ferrigno

This past summer at Wa-Thik-Ane I heard about an awesome opportunity to be part of a Provincial Spark event. Fast forward to the new Guiding year and we had a team of amazing women coming together to do some dreaming and planning. Headed by Guider extraordinaire Charyl Hyndman, our committee put together a day full of camping activities and learning experiences for both Sparks and Moms (with a few Dads too).

The girls had their pictures taken in front of our "outdoor" campsite, with little Spark raccoons and even a campfire as they arrived and with new friends at the end of the day. The morning started off with a science experiment after running into circle, where the girls learned how different pairs of pants stay dry or wet. And then it was snack time, where the girls found themselves building edible campfires to learn how a fire is made. I think their favourite part of that

was eating the yummy chips and candy!

The story continues on [page 9](#).

# Symposium 2016

Symposium is our annual get-together of adult members and Ranger-aged girls from across the province. The event is sponsored by Québec Council, is free for members and everyone is invited!

**Date:** Saturday, January 16th, 2016, 9:00 am—4:00 pm

**Location:** Champlain College, Saint Lambert, 900 Riverside Drive, J4P 3P2

We know the song! *We Challenge Ourselves*.... and our Symposium theme for 2016 is **Challenge**.

It might be the challenge to do things beyond our comfort zone, something new or adventurous, or something we never thought we could do – those are the personal challenges. Guiding asks those of us, for our own satisfaction, or to encourage and role model the “*Yes I can*” to our girl members!

That’s where we **RISE** – to the challenge, to the occasion – but the **RISE** makes us show, stand up and take things up to the next level.

When we lead girls through the challenges of our program, we teach them pride in their abilities and accomplishments – we make them **SHINE**! Some may need a bit more buffing than others, but when they do things together they are positively radiant!

And there’s that final key: **#ensemble**, together, in whatever language you choose to SHINE! When we do things as a team, **#ensemble**, that **SHINE** can be seen from all around – in our communities, and all across our Guiding sisterhood! Symposium will be our day to **RISE** up, and **SHINE**...  
**#ensemble!**

The day includes learning, social and sharing sessions, lunch, and the unveiling of your 2016 event bling. There will be presentations and a variety of opportunities and challenges offered throughout the day, including workshop sessions in topics of your choice. [Click here](#) to review the descriptions of these workshops.

Don’t forget! What symbolizes the **SHINE** in your district? Get your district together and wear that shining symbol on Symposium day!

# Symposium Workshops

|    |   |
|----|---|
| 1. | <b>Communication and Team Building:</b> For our girls, communication is very important as it is their everyday life. Working in teams is the base of good relationships for their future. During the training, many activities will be provided to develop those two aspects as a way of empowering our girls.  |
| 2. | <b>Shared Leadership and Cross-Generational Team Building:</b> Shared leadership can be a challenge at anytime but throw in big gaps in age and experience and there can be some unforeseen issues....but oh what positive possibilities these combinations present! Join us to explore and practice leadership across the ages.  |
| 3. | <b>Gender and Gender Identity:</b> A session to inform and sensitize Guiders to transgender issues and touch on other experiences of the gender spectrum that we encounter in our Guiding activities. Creating an inclusive and respect-promoting atmosphere in Guiding has always been our goal. A modern understanding of gender encourages us to respond to the needs of members, their families and Guiders.  |
| 4. | <b>Camp Challenges:</b> Come discover the multitude of ways camp challenges can enhance a camping experience. They are easily adaptable to each branch, are perfect for filling in spare time and are a great way to offer more to those intrepid girls who always want to go further! If you are keen to learn more about this exciting tool and how it would work best for your unit, come join us at the Camp Challenges session.  |
| 5. | <b>Québec Challenges:</b> Need some suggestions for filling in the holes in programming? Challenges can be a creative and fun way to add to programming and camp time. Join us as we explore the Québec Challenges.   |
| 6. | <b>Teaching Games:</b> Play some games that will challenge the girls to learn new skills, complete program work, be active and HAVE FUN.  |
| 7. | <b>Technology and Today's Girl:</b> This session hopes to answer the question: How to talk to girls and Guiders about Internet safety. How much is too much, what to include, and what to leave to parents. We will also have a sharing session about what is out there for Guiders to use. From Facebook and Twitter, to emails and calendars, how to bring your unit into the techno age.   |
| 8. | <b>Trefoil Guild Gathering:</b> There will be a short business meeting, followed by a demonstration of a fabric project that needs scissors and very little sewing. The making of Hugs for Hope blankets, distributed through Montréal hospitals, inspires and supports people facing a huge challenge in their lives. Chemotherapy patients feel chill, even on hot summer days – so the warmth of this blanket reminds patients fighting cancer that they aren't alone on their journey.<br><br>This is a Bring a Friend opportunity for Trefoil members and other Guiders may choose this option if they wish. |
| 9. | <b>Just for DC's:</b> Rise up! Exclusive session for District Commissioners. Do what makes you shine power session. This is a platform for you. Help us customize a workshop that meets your needs. A survey will follow in order to answer any questions you may have on your mind. Show your em😊is as we roll out the emoji project as a new way that will help make a girl's program a success.  |

## Program News

### FAMILY LITERACY DAY – JANUARY 27, 2016

This [nationally celebrated day](#) aims to increase awareness on the value of reading and engaging in literacy-related activities as a family. Families are encouraged to take time each day to engage in literacy-related activities – even just 15 minutes a day can dramatically improve the literacy skills of both children and parents.

There are lots of ways to integrate it into your unit’s program, from the Spark and Brownie stories to hosting [your own reading tent](#), and don’t forget the National Service Project [Words in Action!](#)

It's Classic Cookie ordering time!

DCs/Cookie Advisers – you will be asked to submit your District Cookie orders to the office by **Friday, January 15<sup>th</sup>**

Our cookie delivery window will be March 17th to 24th, 2016.

Guiders – you know your girls can sell cookies! No need to make a special trip to the office to pick up extra cases, order them directly to your district. Please keep in mind the special order cookies that are appropriate for approved travel opportunities in their Districts, or travelers to GM. Take some time to discuss [cookie selling techniques](#) with your girls, be **RESOURCEFUL** and involve them in the number of cases your unit should order. Let's make a **DIFFERENCE** as a province, our Mint/Fall cookie order was low, and everyone sold out! The funds from cookies support so many of our activities, from the unit level to girls travelling internationally.

**CHALLENGE** yourselves, have the **CONFIDENCE** to order more!

Let me hear you... "**MISSION** accepted."

## A Call Out to Rangers!

*Canadian Guider* is looking for feedback from a Ranger unit or Ranger Guiders who might want to offer some tips for getting girls to listen, engage and behave in unit meetings (or camp, etc.) for an article in the Spring 2016 issue.

Hilary Feldman of the Editorial Committee is looking for contributions from many Ranger units across the country.

Any interested Guiders or Rangers are to contact Hilary Feldman at [wpgdistrict@gmail.com](mailto:wpgdistrict@gmail.com).

## Treasurer's Trove

**Year-end:** Year-end is Dec 31, which is coming soon, so make sure your books are up to date before the holiday rush! That will make it easier to wind things up for Dec 31, when they must be closed for review.

**Financial Reviews:** Don't forget to use the new [Financial Review Checklist](#) this year.

Unit books should be reviewed within the district, as long as those doing the review meet the requirements for independent reviewers as outlined in the Handbooks. District Treasurers should send the Annual Financial Reports and copies of the Financial Review Checklists for each unit to

the Provincial Office.

District books will be reviewed by the District Treasurers at a Book Review day again this year. Please send all documentation (see list on the Annual Financial Report) to the office by **Jan 31, 2016**. We will probably meet in February, at the same time as the DCs, but I'll let you know.

Trefoil Guild books of Guilds with their own bank accounts should also be reviewed at year-end. They should be treated as Unit books and reviewed within the District.

As always, if you have any financial questions, e-mail me!

## Camping on with Mom!

Continued from [page 1](#)

The little Sparks were full of giggles and smiles as Nancy and Susan taught them and their parents about Hug-a-Tree with some Spark demonstrators who just couldn't keep a straight face. One of the girls had a hard time trying to keep yelling for help and was very much in agreement that a whistle was an easier way to keep making noise. The girls enjoyed decorating their CDs after the story and receiving their Hug-a-Tree colouring books and were already making new Guiding friends.

After breaking for lunch, parents and Sparks were split and divided by patrols for round robins, where Moms and Dads had some firsthand experience with bedrolls, what not to bring to camp and what kind of bags are camper friendly! Parents had a good time and shared some laughs over the ripping garbage bag in the camp bag relay and while learning how to make bedrolls! The Sparks giggled like crazy as they played parachute games outside and made some beautiful placemats and napkin holders for our service project to donate to Meals on Wheels. And who wouldn't enjoy dressing up a Guider as the girls helped Holli and Jessica figure out what was appropriate winter camp or summer camp attire.

Afternoon snack was a s'more on a stick and the girls absolutely loved it! Thank goodness we had enough for seconds! Our day ended with a joint activity for Mum (or Dad) to do with their Spark that involved making a sleeping bag hat craft before campfire. At campfire, the girls learned some new songs and sang some favourites, including Herman the Worm (what Spark doesn't love that one?) and the Banana Song 2.0, taught to us by our lovely Provincial Commissioner, Valerie! It was a beautiful experience from start to finish with many new friends made, smiles had and fond memories for all involved. I look forward to our next event and hopefully seeing some new faces at Wa-Thik-Ane this summer!
