

## Symposium 2015- Building Global Citizens

By Valerie Zaloum

The flights have landed, the gates are closed, the surveys are in and it looks like we can call Symposium 2015 a very successful journey! To anyone who missed out, our January 17 event at Champlain College had an overall theme of International Guiding, with travel and airports and flights being symbolic and part of the feel of the day.

Once the captain and flight crew got the flight under way, there was a most special presentation of an Honorary Life Award to Louise Triggs, bestowed upon her by her colleagues, and presented by the Chief Commissioner. An auditorium full of Guiders rose to salute a particularly generous and

committed Guider, Trainer, Assessor, camper and friend.

Our guest Sharron Callahan, the National Chief Commissioner and International Commissioner, along with Pamela Rice, past PC and Chief Commissioner Elect, joined together to share their experience of the July 2014 World Conference in Hong Kong, and talk about the workings of WAGGGS.

Morning sessions followed with free-flow experiences of 11 different lounge zones – you just had to be there! Enormous energy and enthusiasm was shared – recent travellers, the new National Service Project on Literacy, action ops for young Guiders, the 411 on GM2016, the upcoming Provincial Brownie

Day, SWAPS from around the world, and a chance to meet the Chief. And don't forget the Duty Free shopping and a special zone for District Commissioners!

After lunch, a whole range of topics were offered for afternoon sessions. When all was wrapped up and all the flights had landed, 50 blue revellers continued on to a dinner with the Chief.

A very full day, much appreciated by all who attended - we set a record at 146 registrants, and of course want to beat that record next year! [Elsewhere](#) in the Piccolo you will see Sharron Callahan's note of thanks for her experience of Québec Guiding.

Letter from the National Commissioner:

Dear Valerie,

I want to offer a sincere thank you to you and the Guiders of Quebec for organizing a wonderful experience for me to spend some time with girls and Guiders during the Guider Symposium and to partake in the exciting festivities celebrating a Winter Carnival theme with Lakeshore District.

Please pass on my thanks to everyone on the Provincial Council, in the Provincial Office, and in Lakeshore District who in any way contributed to giving me some awesome memories and experiences with the Guiding community of Quebec Council. I want to make special mention of the wonderful girls I met and the awesome Guiders who lead them. From clogging, to making snow taffy, to sampling the traditional dishes during the Lakeshore Brunch, to celebrating with the Mayor, to sharing my experiences as Chief Commissioner with Guiders at the Symposium, to presenting my adventures in Global Guiding, and not to forget my experience with poutine, my visit to Quebec was amazing and truly memorable.

Please pass on my appreciation to all the girls and Guiders for the wonderful opportunity to have met them and to all those whom I did not meet, I wish them well with exceptional experiences and awesome adventures in their Guiding journey.

Yours in Guiding,  
*Sharron Callahan*  
Chief Commissioner

# Symposium Recap: Domestic Fly-Over

In spring of 2014, many of our QC members participated in a comprehensive survey from GGC-National. Guiders, girl members and families were asked a wide range of questions and opinions. Here's the interesting conclusion of a particular series of questions. What did girls say were the most important things that they enjoyed about Girl Guides? Through a Wordle, where the size of the words is proportional to their frequency as responses, look what this tells us about:

Sparks & Brownies

Guides & Pathfinders

Rangers

Surprising? The words that appear in the Rangers' Wordle are often present (though tiny) in the younger branch piece, but their importance has grown to make them very visible and important. It really reflects how girls have evolved over the time they share in Guiding, how they grow into more adult thoughts and interests in their lives AND in their Guiding.

The Air GGC Fly-Over session at Symposium presented many excerpts of this survey. Did you catch it? Would you like to explore the survey content in an informal gathering? You can indicate your interest in an e-mail to [admin@guidesquebec.ca](mailto:admin@guidesquebec.ca) with the subject line SURVEY SAYS... and you will be advised of the time and place of such a gathering in the near future.

# Provincial Council Call Out

## Seeking nominations for the position of Elected Member - GGC Québec Council

Quebec Council is looking for candidates for the position of Elected Member, to replace Jenn Bouchard who has completed her term.

The candidate would commit to participation in Quebec Council meetings (up to 7 per year) and be responsible to review documentation and give feedback on proposals as needed. E-mail communication responsiveness is essential, as some Council business and decision making is done via e-communication.

## Screening News

### SCREENING & POLICE RECORD CHECK PROCEDURES

Please remember that until a Potential Member (PMBR) has her PRC and references done, she cannot be in a unit or do anything with girls.

Please remind all your **PMBRs** to follow the BackCheck process as soon as they receive the information. It is a **time sensitive** process. They have 15 days to complete it before it expires. Failure to do it right away causes problems!

**Members (MBRs)** receive a letter from the provincial office two months before their PRC expires. One month before, they receive an email with the details of how to renew their PRC using BackCheck. Again, please remember it is a time sensitive process. They have 15 days after which the offer expires.

Please DO IT AS SOON AS YOU GET IT.

**Non-Members PRC renewals are still done by the SPVM .**

Those whose PRC is coming due should start the renewal process as soon as they get a letter with the PRC form from the provincial office. The letters are sent out six months before their expiry date as it takes the police at least 3 months to process them.

If they are not sure whether they will be back next year suggest they renew anyway as then they are covered if they do stay on.

Without a valid PRC, you cannot be in a unit, do anything with girls or handle money.

- Margaret Martin, Screening Specialist | [screening.selection@guidesquebec.ca](mailto:screening.selection@guidesquebec.ca)

The 1st Northern Lights Brownies planned an evening of cooking in their pursuit of the *Key to Active Living*. From Guider Jo Povall, "All the girls by the end of it were so excited that they had made their school lunch for the next day. They were all able to learn about healthy foods by actually planning a healthy meal and they were able to for the first time take the lead in cooking. They all discovered their potential in the kitchen!"

## Treasurers' Trove

For Unit and District Treasurers

### **New on the GGC QC website:**

The [GGC-QC Financial Package for 2015](#) is up on the website, ready for download.

If you downloaded it before mid January, please check the Cheque Requisition form- there was a glitch. It is now fixed, but if you have started using the forms and have the version where the totals at the right hand side don't work, you have a couple of options. You can send it to me and I'll fix it for you, you can simply skip the lines where the total doesn't work, or you can use the independent [Cheque Requisition](#) form from the website.

The [District Treasurers' Handbooks](#) and [Unit Treasurers' Handbook](#) have been updated, and will answer many of your questions about how to do your job. There is also a [Treasurers' Calendar](#) for 2015 with important dates to help you do your job better.

There is also a [Unit Tracking Sheet](#) for districts which have multiple Units using one bank account. This is not a required form, but it should make the lives of those bookkeepers who use it easier.

*Let me know how you like it!*

### **Unit Annual Financial Reviews:**

Copies of Unit Annual Financial Reports and completed Financial Review Checklists are due to the office as soon as possible. Remember to forward Tax Rebate Requests for Operating Costs with original receipts also. These should be totaled for the district, as the office will only issue one cheque per district.

### **District Financial Reviews:**

I recently sent information directly to District Treasurers: we will meet at the same time as the DCs on February 21. If you did not get this e-mail, please contact me.

### **Training:**

If you haven't made it to a transition training yet, please let me know ASAP and I'll try to get another group together. The next will be March 4. Let me know if you are interested.

This has always been a popular event for Girl Guides and once again we will have a walking unit in the parade this year. It is a great opportunity to show off our flags and be seen with our green. We are permitted a maximum of 100 participants, so if you would like to walk in the parade with your unit, please register with us so that we can keep track of the number of participants. Parents and siblings are welcome but no pets. Wagons are useful for Sparks as it is a long route. So polish the brass on your flags, unfurl your banners, and show off your Irish green pompoms - everyone loves a parade! A St. Patrick crest will be available for a cost of \$2. The money will be collected at the parade where the crests will be distributed. Those registered will get more info about where and when the line-up is on parade day.

To register, please send the information requested below to Angela Whelton-Quinn at [awheltonquinn@gmail.com](mailto:awheltonquinn@gmail.com) by February 28.
