

Another great day out with the Montreal Impact

Submitted by Diane Oki and Shannon Jackson, Provincial PR Chairs

Montreal Impact Soccer Day on **Saturday, October 25** drew out over 300 members of Guiding and their families from across the city. Despite the changeable weather and the eventual downpour during the game, the opening ceremony was dry and almost sunny (as you can see from the pictures).

Photo credit: Diane Oki

33 girls formed part of the Honour Row and helped to cheer the players on to the field. The crowd was loud and enthusiastic as the Impact drew to a 1:1 finish despite a short overtime.

Before the game the PR booth had some fierce competitors trying to conquer its bean bag toss game, and a steady stream

of prizes, Guiding information and Impact crests were given out.

Thanks to Patricia Tellis, Zinovia Samonas and Mary-May Hubert for their help during the afternoon.

Northshore Brownies Explore a 'Key to My Community' with a celebration of Aboriginal traditions

Submitted by Laura Litvack, Deputy District Commissioner for Northshore District and Guider with the 2nd Northwood Brownies and 1st Ste Genevieve Pathfinders

On October 27, as part of the **Key to My Community** the **2nd Northwood Brownies** got a special visit from Karonhienhawe, a Mohawk woman from Kanehsatake. She taught the girls about the Mohawk community and the roles that women play in it.

The girls also got to listen to some traditional instruments, including the Mohawk Water Drum and learned about how it represents the circle of life. As well, the girls were able to learn some traditional dances and songs, their favorite being the duck dance!

At the end, girls were able to see some Mohawk clothing, including a pair of leather moccasins.

A big thank you to Karonhienhawe as well as the [Red Urban Project](#) for helping the girls earn their **Aboriginal People in Canada** badge!

Fall Gourmet Cooking Camp!

Submitted by Joanne Millette, Guider with the 1st Northern Lights Pathfinder Unit and Provincial Training Adviser

The weatherman was calling for a blustery rainy weekend but the **Northern Lights Pathfinders** had planned their fall gourmet cooking camp for the first weekend in October and a little wet weather was not going to dampen their spirits. The girls arrived on Friday night ready for their outdoor cooking adventure. Saturday morning they built their box oven and although they looked a little skeptical about its performance potential they were game to give it a try. We talked about methods for outdoor cooking and the changes that would be necessary considering the pouring rain. We are Girl Guides, the ability to adapt

was never in question. The fact that we had a kitchen shelter also helped.

By the end of the weekend the 12 Pathfinders had cooked in a box oven, reflector oven, stove pipe (tin can stove), Coleman stoves, and buddy burners. They made things like; angels in a blanket, cinnamon rolls in oranges, stir fry, pancakes, chicken burgers, fruit pizza, hash browns and much more. The leaders were very impressed and the girls were very proud...

Pointe-Claire District throw a Halloween open house extravaganza!

October 23—Combining Bring-a-friend, Open House and a district-wide Halloween Party, Pointe-Claire had about 65 girls in full costume bobbing for food, running relay races, making spider nests and ghostly votives and having a great time. The new bracelets were part of the loot bag given out at the end, with brochures and Free Meeting passes inserted in all friend bags. We have already had several unit visits following this event.

Other twinning relationships across Canada match up:

- Alberta** with **Guyana**
- Ontario** with **Chile**
- Manitoba** and **Saskatchewan** with **El Salvador**
- Maritimes** and **Newfoundland and Labrador** with **St. Vincent & the Grenadines**

There will be lots of creative new ways Canadian girls can learn more about all of these countries, and share their Canadian experience with our southern neighbours!

Starting this summer, GGC put in place new nationwide **police record check** procedures using a service called **Back-Check**. The process is completed online and requires applicants to submit information via the BackCheck website. **Reference checks** are also completed via BackCheck for most Potential Members. Here are some frequently asked questions about this part of the GGC screening process:

BACKCHECK FAQ

1. What if I want a Non-Member Volunteer to get her police record check done through BackCheck?

BackCheck is a service that incurs a certain cost for the national and provincial councils; therefore it is reserved for Members and Potential Members. The process for Non-Members remains the same by default: a police record check request form is completed with the Screener and Non-Member, sent to the provincial office, and then sent to the SPVM. This takes about four months. It is possible to get a police record check for a Non-Member through BackCheck, however this person will be required to pay for the service by credit card; the unit or district may reimburse her if they choose to do so. A police record check using BackCheck costs \$23.00.

2. What if I prefer to go through my local Sureté du Québec office?

You can choose to have your Potential Members go through your local SQ office; in some areas it's just as fast as BackCheck. However, in these cases, the Screener must complete the reference checks. Therefore, the provincial office will need the original A.1, S.2, two S.3s, and the police record check to complete the screening process. If you are using BackCheck, the provincial office only needs the original A.1 and S.2

3. What is Online ID Verification?

During the process, BackCheck will ask the candidate certain questions in order to perform an online ID verification. This is simply to confirm the person's identity so the police record check can be processed, as opposed to requiring copies of the person's ID. It is not a credit check, but simply a way to confirm identification through personal information. The process is similar to any sensitive online transaction such as online banking or receiving a credit report, and the individual's credit score will not be affected in any way.

4. What happens when an applicant fails online ID verification?

Most people pass, but some individuals may not be able to complete the online process for various reasons. If an applicant fails online ID verification, they will be asked to proceed with in-person ID verification. This means that they simply need to print their BackCheck Consent Form (sent to them by email directly from BackCheck) and present it with two pieces of ID at any Canada Post office.

For any other questions about BackCheck or if difficulties are encountered during the process, please communicate directly with the provincial office at imis@guidesquebec.ca or 1-800-565-8111.

Treasurers' Trove

For Unit and District Treasurers

Signing Officers

If you haven't updated them yet, please do so now. This must be done for all unit and district accounts every year. This must show in district minutes, although if there are no changes, you should not have to visit the bank.

It's budget time!

Please include it with your next district minutes. (Send them to admin@guidesquebec.ca) It is a good idea for units to do a budget too, but it is not required.

Year-end

Year-end is December 31, which is coming soon, so make sure your books are up to date before the holiday rush! That will make it easier to wind things up for December 31 when they must be closed for review.

Taxation FAQ

As of January 1, 2015, please note that GGC Québec will no longer be charging taxes on Wa-Thik-Ane site rentals to units and districts.

The rules about when to charge taxes have not changed in

any way: If you are holding an overnight camp, you must still charge the participants taxes on the participant fee for the camp. In the case of day events, if the majority of participants are under 14, you will not charge taxes, but if the majority are over 14, you must charge taxes if there is a participant fee. This does not change how you should use the forms in the GGC QC Financial Package. They all work (even better!) with this update.

Note that this does not affect the Wa-Thik-Ane rates for our summer camp (WWWTA), which means that participants must still pay the taxes on summer camp fees.

Taxation Transition Training

I am looking at doing one in Lachine-St Lawrence in January, so if anyone missed out the first time around or wants to come again, let me know!
