

Growing Guiding in communities around Québec!

Pointe-Claire District hosted a booth at the Pointe-Claire Family Fun and Safety Day on September 6. They put together some camping and campfire safety questions, had demonstrations of knots and trail signs, and even had cookies to sample.

Lennoxville District held an open house and invited guests to try some favourite Guiding activities. They displayed photos of recent camps and outings, and had posters up for girls and parents to write on and answer the question - "What do you want to get out of Guiding this year?" This was rounded out with refreshments and songs—all in all a great night!

Laval District kicked off the new Guiding year with a Guiding Carnival, offering plenty of activities for girl members, their families, friends, and leaders of course!

Units in **Saint-Bruno** held a registration event with some tasty treats and lots of goodies!

Snow Trails 2015

Believe it or not, we have started to think about Snow Trails already... It takes a while to plan!

At the moment we are looking for Pathfinder and Ranger Guiders, or other Guiders with a love for the outdoors who would be willing to join the planning team for this always popular winter camp for Pathfinders and Rangers.

We are looking at a “two camp” formula this time around—one for winter activities and one that features quinzhee building and an outdoor sleepover.

Would you like to help make Snow Trails happen in 2015?

Contact camping@guidesquebec.ca as soon as you can.

Property Committee News

Wa-Thik-Ane Annual Clean-up Day: Sunday, October 5, 9am-4pm

Once again the Wa-Thik-Ane camping season is coming to an end and it is time to put the camp to bed for the winter. This year's closing day is scheduled for **Sunday, October 5.**

As usual there will be plenty of tasks for all of our eager volunteers and needless to say, more participants make the job smaller! We must take down tents (weather permitting), close up sites, move equipment into winter storage and clean and animal proof the buildings.

Limited indoor accommodations at Stavert Lodge (18 spots) are available for **adult Guiders who wish to stay over following the Provincial Day Camp** on October 4. The Property Committee will provide breakfast for those who stay over and lunch for everyone who participates in the clean-up on Sunday. Please send us an email at iacbouchette@guidesquebec.ca to let us know your plans and to reserve a spot at Stavert.

Not available that weekend?

If you are unable to come on October 5 – do not despair! There is a need for small teams of adults to take down the canvas tents during the weeks preceding camp closure, and again for a small team to complete the winterization of the buildings between October 6 and 13.

If you are interested in visiting mid-week, please contact iacbouchette@guidesquebec.ca.

CONGRATULATIONS

to Québec's 2013-2014 All Star Cookie Sellers!

How do our **Cookie All Stars** do it?

We asked our fabulous **Cookie All Star Sellers** to tell us how they sold so many cases of cookies last year. We wanted to fuel our Guiders with some ideas to share with their units, the girls, and parents, while preparing them to get out there and sell lots of cookies!

Their responses can be summarized as follows:

- Door-to-door, with siblings, family, other girls in Guiding (with hot chocolate in bad weather)
- Mom & Dad take them to work
- Goes to Mom's work on a pedagogical day
- Facebook - "Cookies for sale, taking orders"
- Contact previous buyers
- At the school gate – they make a great after school snack!
- Hockey games (their own, sibling's or parent's)
- Garage sales - those shoppers need energy!
- Local gas station - steady flow of clients
- Bowling Alley - on a league night or weekend
- At church - ask if you can speak about GGC
- Between activities, while waiting for siblings

We received very positive comments about what a great learning experience cookie selling is for the girls. Please be sure to encourage a positive message about cookie selling. The girls learn from the "no, thank you" and benefit so much from the sales.

Read their detailed selling tips [HERE](#).

Just awesome!

The **2014-2015 Cookie All Stars Program** is pretty great!

Un tout inclus juste pour les filles : les Guides du Canada

Par MARIE-LEONIE ROUÏFFER

Même de très jeunes filles, dès quelques heures battent la période d'inscription aux activités parascolaires. Sans vouloir courir sur quatre roues de la vie plusieurs jours par semaine, l'après-midi ou le soir, les Guides du Canada offrent un cadre idéal pour les filles de 7 à 17 ans. Dans un monde idéal, le cadre idéal de l'après-midi ou du soir, qu'elles aiguisent leur créativité, qu'elles élargissent leur culture générale et qu'elles boostent tout cela dans un milieu fraternel afin de se développer sereinement.

D'autres enjeux modernes font partie du mouvement et peuvent mener à l'obtention de badges soulignant la réussite des filles : opéramentales, conservation environnementale, médias et image, photographie et design web, mode et design intérieur, français et technologies, ingénierie, sécurité communautaire.

De manière générale, la connaissance et l'estime de soi transcendent le programme, ce qui développe personnellement et directement par des ateliers pratiques, des valeurs comme le courage, la responsabilité, le respect, l'honnêteté et l'affirmation de soi sont constamment véhiculées dans cet univers enrichissant formé du fait d'un vouloir. Chaque groupe a des objectifs et des badges distincts. Les petites, qui forment le groupe Sparks, peuvent intégrer le mouvement dès 4 ans à l'aide d'une heure par semaine. Celles qui perséverent deviennent Doves (7-8 ans), Guides (9-11 ans), Pathfinder (12-14 ans) puis, à l'âge de 15-17 ans, les « dignes » pourront recevoir le titre de Pathfinder ou de conseillère, une expérience des plus enrichissantes pour intégrer ensuite le marché du travail.

Un geste courageux pour aider les autres par Alyssia Morin

Cet été, j'ai fait un deuxième don de cheveux pour la fondation [A Child's Voice Foundation](#) pour leur programme [Angel Hair for Kids](#), me méritant en même temps mon premier [défi Québec Spin](#).

J'ai décidé de faire mon premier don quand j'étais en maternelle. J'ai laissé pousser mes cheveux pendant deux ans. Entre temps, mon amie est tombée malade de la leucémie, donc le choix de faire un don est devenu encore plus important pour moi. C'est en deuxième année que j'ai finalement fait mon premier don de plus de 12 pouces de cheveux.

J'étais si fière de mon geste que j'ai décidé de le refaire. Pendant un autre deux ans, j'ai laissé pousser mes cheveux. Ils étaient si longs et si épais que j'ai parfois pensé de les faire couper. Par contre, j'ai persévéré et j'en ai pris bien soin car c'était important pour moi d'aider les enfants malades.

C'est cet été, avant d'entrer en 5e année, que je suis allée les faire couper. J'étais très nerveuse de me retrouver avec les cheveux courts après les avoir eu si long si longtemps. Mais, je suis restée courageuse et la coiffeuse a coupé plus de 11 pouces. Mon deuxième don était fait et j'en étais très fière.

En faisant ce don, j'ai pu aider des enfants et me mériter mon premier défi Québec Spin Challenge. Les anneaux que j'ai choisies pour le défi sont:

- ROUGE:** Faites une différence
- VERT:** Cheftaines (ma mère)
- BRUN:** Bloguez
- ROSE:** Collectivité

À mon âge, je ne peux pas donner beaucoup d'argent pour aider les enfants malades mais je peux leur donner mes cheveux. C'est très IMPORTANT pour moi!

The [GGC-GdC Québec closed Facebook group](#) is brimming with fun programming ideas!

Many thanks to Guiders like Renee Sabetta-Cavers from Ormstown (Hayes-Apple Valley District) for sharing some great tips like this one!

And this one!

Financial Training:

As most of you know by now, we have started collecting and passing on GST and QST on participant fees for camps and some events.

If there are any unit treasurers who have not yet attended a **transition training** on the taxes, please let me know. I'll tell you if there are any other trainings nearby which you might be able to attend. Check with the others in your district... I don't mind coming to small groups.

Guiders who have not been treasurers in Guiding before should take the **full Financial Training**, which will include the new forms, and will take about three and a half hours or a bit longer if people have lots of questions. We will cover all you need to know to keep your books to the standard required by National, including mid-year and year-end reporting and budgeting. Unfortunately I can't do these right away, as there are still forms to be updated, as well as the training. Let me know if you need the full training, and I'll let you know when I'm ready to start, hopefully by November.

Cookies:

The chocolatey mint cookies will be delivered soon. Remember that there is a blackout on other fundraising for one month after cookies are delivered to allow the girls to concentrate on selling at least two cases of cookies each.

First Aid Training

Upcoming courses:

There are currently no scheduled Red Cross First Aid courses (tailored to the needs of GGC) from Pulse Aide Inc.

Dates for **October** and **November** First Aid courses are still tentative but will be posted as soon as they're finalized, on the [First Aid Training page](#) of the QC website.

Anyone needing a First Aid course as soon as possible should get in touch with Joan Lax at pulseaideinc@gmail.com — often a course will be built around one Guider who needs her certification for a specific date!

Start-of-year reminders!

- Now's a good time to locate your **First Aid certification card** and check on the **expiry date**—you may be due to renew your qualifications.
- Be sure to take a look at the updates related to First Aid in the [2014 version of Safe Guide](#) (see [explanation of changes](#))

For more information or to book a course for your district or Guiding community at a time and location most convenient for you, email **Joan Lax** at pulseaideinc@gmail.com

Signing Officers:

It is time once again to change or re-affirm your signing officers on your bank accounts. This must be done every year at a district meeting, followed by visits to the banks involved as necessary to update signatures.

Valerie Zaloum and **Susan Welsh** are to be the provincial designates on all district level accounts this year. This means that all district level accounts will have to change signing officers this year, as Pamela Rice should be removed as a signing officer from these accounts.

The District Commissioner and District Treasurer should be on all district and unit accounts. Remember that there must be at least four signing officers on each account. (You may have five if it makes it easier to get cheques signed.)

For units and district, the procedure is the same as last year. Check the [Unit and District Treasurer handbooks](#) for the details and sample wording for motions. (They are posted on the GGC Québec website—[here](#).)

If you have any questions about these or any other Guiding financial matters, feel free to contact me:

Dawn Coffey, District Treasurer Support Specialist

Thank you and welcome!

Québec Council would like to thank *Fiona Best* for serving as Provincial Council Secretary for the past year. We wish her well in her continued studies and career.

We would like to welcome *Pam Ireland* of Monklands District, who will assume the role of Provincial Council Secretary as we begin the new Guiding season.

The Provincial Council works for the best interests of all our Québec members, and the support of skilled members in these positions is so important—thank you both for your talents and energies.

Valerie Zaloum

Call out for second hand uniforms

If you have Guiding uniforms in your closet, in your unit, please consider donating them to communities where uniforms don't always fit in the family budget.

The office will accept these gently used uniforms, any branch, current or previous style, for distribution where there is a need.

Thank you for thinking of the sister you've never met!

Looking ahead...
