Message from the PC Team

RoseAnna Cirino, Provincial Commissioner | pc.cp@guidesquebec.ca

How time is flying by! It's been a whirlwind of meetings, travel, conference calls, new experiences and time spent getting to know girl and adult members. I can say that I am definitely growing daily in this new role as the Québec PC. It is both the most challenging and the most engaging role I have ever had the privilege of holding.

I am so very excited for everyone to get immersed in all that is new and upcoming from National GGC with the Girls First program, Country-Wide Optimization, new branding and new image, all to be released soon! I just know that you'll love the new directions Guiding is taking!

A tip of the hat goes out to all those amazing Guiders who have stepped up and gone above and beyond their unit roles to help at recent provincial events (summer camp, Le Gros Dodo, Fall Fun Day, PED week, DC days, Girl Recognition, Think Tank and youth events) These would not have happened without your positivity, smiles and commitment.

I would also like to send a special shout out of thanks to all those Guiding elves who have been so busy during this holiday season. I have seen stories of you helping at food banks, making blessing bags, donating food, cooking and serving at local shelters, making crafts -- all within your community. Our true colours do shine during this time of the year!

I hope you all know just how warmly you are thought of, and how much you're all appreciated for all that you do. I cherish your commitment and your continued support. Keep on Guiding!

There is no time more fitting to say THANK YOU and to wish you all a wonderful and happy holiday season. Take this time to be with your family and loved ones.

Rest up and get ready because 2018 is going to blow us all away!

She will be everything she wants to be!

I could not have been more honored to be in a room among our shining stars of 2017. The day at the movies highlighted and recognized girls who went beyond the daily program and work toward achieving impressive goals (the Lady BP Award, the Canada Cord, the Chief Commissioner's Award and the Youth Commitment Award). Thank you to Monklands District for hosting this smashing hit!

For Young Guiders (18-25)

Transitioning from Ranger to Guider and being a young guider brings new challenges. You may have questions or concerns but are not sure who to ask or where to find the information you may require. For support or guidance you can now contact your Young Women's Rep via email at yw.rep.jf@guidesquebec.ca.

Youth Info Sheet

For Rangers and Ranger Guiders: We'd love to get to know our Rangers better and find better ways to communicate with them. We're asking Rangers to fill out the following [form](#) and return it to their Guider to send to youth.jeunesse@guidesquebec.ca.

A Special Request from the Ontario and Nunavut PC

We are developing a role description for the unit Guider as an integral part of the national strategic plan. We believe that Youth members can be valuable contributors to this project.

So we are extending this invitation to you to participate in either a one hour (approximate) focus group via Adobe Connect, or an on-line survey. These will take place in January and February, so as much as possible, please indicate your interest by December 31.

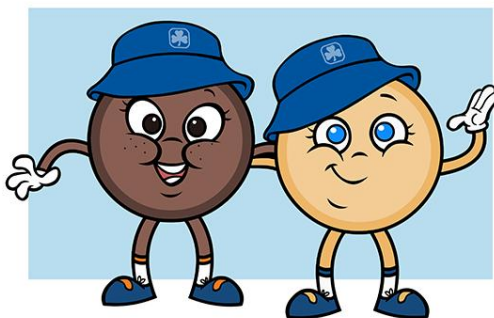

If you are interested in participating, please send an e-mail to: provincial.commissioner@guidesontario.org. Please indicate if you prefer to participate in a focus group or the survey, and specify exam weeks or other times we should avoid.

Susan Birnie, Ontario and Nunavut Provincial Commissioner

Cookie News

Bethan Wardrop and Marissa Schembre, Cookie Co-advisers
cookies.biscuits@guidesquebec.ca

Units are wrapping up for the 2017 year, but 2018 is coming soon and in mid-January, DCs will need to send in cookie orders for the spring. It's time to start thinking about what unit activities you'll be doing that would be nice to have some extra money for (don't forget the [Cookie Kickback incentive](#)) and to talk to your super-seller girls to make sure you order enough cookies for them to reach their goals. You don't have to stick to the minimum!

A NEW Thinking Day Challenge — for Québec!

კვებეკი - კანადა-საქართველო კვებეკი - კანადა-საქართველო

A Thinking Day Challenge!
A Quebec Girl Guide –
Georgian Girl Scout exchange

Now before you start thinking Atlanta, Thrashers hockey, Falcons football and USA, think again!

საქართველო pronounced sak'art'velo
That's what Georgians call Georgia

კვებეკი pronounced kvebeki
That's what Georgians call Quebec!

Thanks to a wonderful connection to leaders from a different Georgia, members from GGC-Quebec and the Republic of Georgia Girl Scouts "Dia"* are facilitating the building of a Thinking Day exchange for girls and leaders.

From mid-January to mid-March, members in both countries will drive an exchange experience using technology, social networking, digital photos and videos.

Watch for the details in January... but for an early bird experience of our sisterhood challenge, visit our [Media Page](#) and learn more about Georgia, a beautiful, very ancient and very young country tucked between Turkey and Russia! What a great chance to learn alongside the girls! So few people know much about Georgia... make that Sakartvelo! Their Girl Scout Dia* leaders are really excited to share this Thinking Day exchange with Canadian Guiding and our distinctly Quebec flavour!

Photo: Alexandra Dalgleish

Both countries proudly fly red and white flags!

*"Dia" is a word in the Georgian language that means "morning star", and is part of the word for "woman". Written "დაია," these letters are found in their trefoil logo.

Design-a-Crest Contest

Angie Kruller, Girl Engagement Coordinator | girl.engagement.filles@guidesquebec.ca

The search for a new provincial crest is on!

We are accepting designs by all **girl** members. The selected design will become the new provincial crest (not a membership crest)! There are just a few rules:

1. It should include a trefoil
2. It should say Québec
3. It should be something that symbolizes what Québec means to you

A [handout](#) is available in both French and English to help if you do this as an activity during unit time. The requirements have been slightly relaxed since it was created.

Girl or Guiders can send girls' designs to girl.engagement.filles@guidesquebec.ca by January 31.

Trefoil Guild News

Ellen Gauthier, Trefoil Guild Specialist | trefoil.trefle@guidesquebec.ca

Ladies from the West Island Cabana Trefoil Guild had a fun night playing a card game where each member bought a wrapped gift for a child for about ten dollars. We had fun picking the gifts from one and another until each member had no more cards. We then opened the gifts and were pleasantly surprised that we had a wide variety of gifts for kids with no duplicates. These gifts will find a new home at the West Island Women's Centre.

Safe Guide News

Pam Godfrey, Safe Guide Adviser | safeguide@guidesquebec.ca

New Guiders

It is compulsory for new Guiders to do Safe Guide training and this must be completed within the first six months of becoming a leader. For Guiders who cannot attend a face-to-face training, you have the possibility to do it online. Contact the provincial office (imis@guidesquebec.ca) for a PIN # and don't forget to send a proof (certificate) to the same email to make sure your member profile is updated.

The six month deadline for many new Guiders falls in January, February and March. If you want a Safe Guide training session in your district, start to make plans by talking to your DC. You might consider scheduling it the week the girls start back to school in January, if you do not intend to have a meeting that week. Watch the training section of The Piccolo for information on upcoming sessions.

Forms

All Guiders should read the July 2017 version of Safe Guide carefully before planning an activity to ensure your plans fall within current guidelines. **Please remember to use the most current version of the forms.** All previous versions are out of date and you will be required to resubmit your paperwork.

Treasurers' Trove

Claire Morier, District Treasurer Support Specialist | finances-support@guidesquebec.ca

Year-end:

The financial year end for all units and districts is December 31, so now is a good time to make sure they are up to date before the holidays begin. The books need to be closed as of December 31 and then prepared for review.

Financial Reviews:

The *Financial Review Checklist* is available on the Quebec website and should be used for all units and districts:

Unit books should be reviewed within the District, provided that those doing the review meet the requirements for independent reviewers as outlined in the Handbooks.

District Treasurers should send the *Annual Financial Reports* and copies of the *Financial Review Checklists* for each Unit to the Provincial office.

District books will be reviewed at the office on February 12, 15, 17 and 20. Current, prior, or any volunteers with experience are invited to come help. Please RSVP to finances-support@guidesquebec.ca.

If District Treasurers or a delegate are unable to attend, please send all documentation (see list on the Annual Financial Report) to the office by **Jan 31, 2017**.

Books of Trefoil Guilds with their own bank accounts should also be reviewed at year-end. They should be treated as Unit books and reviewed within the District.

***FYI*:** Non members who are unit/district treasurers will now be receiving the Piccolo so they can read this section and stay informed!

Local Stories

Lizzie Knowles, Communications and PR Coordinator. | communications@guidesquebec.ca

Many girls, units and districts worked on service projects over the course of the last month.

Pointe-Claire and Chateauguy went carolling; Northshore, Ormstown, Chambly and Northern Lights participated in food and clothing drives; Riverdale made cards for active Canadian Military Personnel; NDG made hats for children in the hospital; a Guide from Northshore donated her hair; Riverdale made tray favours for Meals on Wheels and Valois-Dorval filled bags for Purse of Hope. So many girls gave back to their communities!

Other notable activities included St. Lazare and Laval-Mille-Iles participating in Santa Claus Parades and Kirkland and St. Lazare doing science activities.

Super Strong Bubbles: Glycerin, dish soap and water.

The girls mixed the ingredients together and then wet the table. With the straw they slowly blew the mixture onto the table to make a bubble.
