

Chocolatey Mint COOKIES

Another great recipe for growing girls

Chocolatey Mint Teepees

Recipe Ingredients

For each girl supply:

One Chocolatey Mint Cookie

One tbsp. whipped cream

One fruit roll-up

Method

Place a dollop of whipped cream on a Chocolatey Mint Cookie.

Fold fruit roll-up in a cone-shape and place it open-end down on cookie.

Press the sides of the fruit roll-up down to stick to cookie.

To make the chocolatey mint teepees extra special, consider making a little candy campfire for the teepees using a couple of one-inch cinnamon sticks for firewood and a few pieces of 'flameshaped' red/orange fruit roll-up for the fire.
